

Aladdins See Their Volcanic Prediction Borne Out in Orient

The Aladdins, who recently appeared at the Torrance Theater, and who are now residing in Torrance will again be on the Theatre program according to an announcement of Manager Slater, have been much interested in reports of the eruption of the volcano Kilauwa in Hawaii.

shortly before his appearance in Torrance, Mr. Aladdin says. Known in the Orient as "Mr. Paul", Mr. Aladdin was accorded much faith by the natives. Older Hawaiians, in the face of scientific belief that there would be no serious eruption, attached special significance to "Mr. Paul's" prediction, and were not surprised when, on July 8, the night before the eruption date was set by "Mr. Paul", the liquid metal on the floor of Halemaunau pit was increased and the earth was shaken. News dispatches from the Orient describing the volcanic activity mentioned the prediction of "Mr. Paul".

Founder to Explain Chirothesian Church

Dr. W. Grant Hess of Los Angeles, founder and bishop of the Chirothesian Church of Faith, will be in Torrance Sunday night to expound the principles of the faith at the First Chirothesian church of Torrance, in the Old Legion hall on Border avenue. It has been announced by Rev. M. E. Cameron, pastor of the First Chirothesian church. An added feature of the church service on this night will probably be the appearance of Thomas G. Jackson, well known

American Legion tenor. The First Chirothesian Church of Torrance recently was established by Rev. Cameron. The principles of the faith are of ancient origin, allusions to them having been found in papyrus writings of Egyptian priests. The Chirothesian church ordains into its ministry men and women whose character and personality are approved and whose training and experience in the work of relieving ills of the human body, mind and spirit have been demonstrated. The name of the church comes from the Greek form "Chirothesia"—the "laying on of hands."

Torrance-C.C.M.O. Are Tied in Knot For Championship

The Torrance Merchants baseball team and the C. C. M. O. nine are now tied for the Bay district championship. C. C. M. O. walloped Standard Oil to the tune of 13 to 1 last Sunday, while Torrance drew a bye. Next Sunday Torrance and C. C. M. O. meet in the game which probably will tell the tale. Each team has one more game on its schedule, but each is confident that the last game will not be a factor. Torrance plays Graham for its last game, and C. C. M. O. takes on El Segundo. A loss in the last game for the winning team next Sunday would tie the league up again. C. C. M. O. played high class ball against Standard Oil. Hatfield, on the mound, struck out nine Standard Oil batters, and C. C. M. O. garnered 15 hits against Standard Oil's five. Mr. and Mrs. Ross Van Voorhees, formerly of Torrance, are the parents of a nine-pound boy at Huntington Park, born July 19. They formerly lived at 1903 Andree avenue with Mrs. Van Voorhees' parents, Mr. and Mrs. George Greaves.
